

## MBA Research Reports - Lean

### **Kosi, Boitumelo (2019)**

**Game-based learning in Lean methodologies: A qualitative analysis of learning and outcomes**

Supervisor: Hamieda Parker

### **Henkel, Paul (2018)**

**Lean adoption leaders: Personal shifts in their journey**

Supervisor: Fatima Hamdulay

### **Chandler, Michael (2017)**

**The Adoption of Lean at Nibbly Bits Bakery– A Teaching Case**

Supervisor: Norman Faull

### **Khuzwayo, Linda (2017)**

**A comparison between financial performance of JSE Lean and non-Lean companies**

Supervisor: Anton Grutter

### **Mbagwu, Chibundu (2017)**

**From Agile to Lean: Perspectives on Opportunities and Challenges to Lean Adoption**

Supervisor: Mlenga Jere

### **van Zyl, Jacobus (2017)**

**Assessing Lean management transformation at Groote Schuur hospital using the CLEAR framework**

Supervisor: Anton Grutter

### **Bezuidenhout, Cerina (2016)**

**Assessing Lean start-up approaches in a corporate setting**

Supervisor: Norman Faull

### **Carstens, Wiehahn (2016)**

**Assessing the operational improvements accrued from the implementation of Lean principles at a South African printing company**

Supervisor: Fatima Hamdulay

### **de Mac Mahon, Pelagie (2016)**

**What are the mental models, beliefs and assumptions that underlie K-Ways adoption of Lean thinking?**

Supervisor: Fatima Hamdulay

### **Maritz, Andries (2016)**

**ACSESim: Agile and Lean software development in practice: A teaching case**

Supervisor: Fatima Hamdulay

### **Petla, Ednah (2016)**

**Application of Lean principles to procurement process in a South African government Institution**

Supervisor: Norman Faull

### **Vidhani, Himanshu (2016)**

**The evolution of Lean thinking at Tektex where to next A teaching case**

Supervisor: Fatima Hamdulay

**Ackerman, Ange (2015)**

**Standard work practices and their contribution to the sustainability of a Lean Daily Management System in health care**

Supervisor: Anton Grutter

**Anderson, Andrew (2015)**

**Lean thinking at "The Grand Africa": A case study to determine to what extent does the implementation of Lean thinking at "Grand Africa" match Liker's overarching principles of the Toyota Way**

Supervisor: Fatima Hamdulay

**Baisley, Grant (2015)**

**The Bushido of Lean Leadership: The correlation between the principles of Lean leadership and the principles of Lean management**

Supervisor: Timothy London

**Munshi, Fatima (2015)**

**Key enablers of Prestige Clothing's above –average KPI performance compared to industry peers: The effect of Lean thinking culture and affective commitment**

Supervisor: Fatima Hamdulay

**Nene, Thabani (2015)**

**Adaptive Lean Thinking Principles into the Product Development Process at Pfisterer (Pty) Ltd: how can this improve lead times on final product delivery to customers?**

Supervisor: Fatima Hamdulay

**Kellas, Robert (2014)**

**Lean in the hospitality industry: Implementing Lean thinking tools at the Vineyard Bakery**

Supervisor: Fatima Hamdulay

**Scholtz, Elsa (2014)**

**A teaching case report: The Vineyard Hotel's room service improvement project focused on tray collection and underpinned by Lean Thinking**

Supervisor: Fatima Hamdulay

**Wijs, Marcel (2014)**

**Why Lean Works V3**

Supervisor: Anton Grutter

**Noordermeer, Waldo (2013)**

**Lean Start-Up principles: Exploring transferability to the South African Context**

Supervisor: Trevor William

**Thobejane, Tshepo (2013)**

**Lean management in outpatient processes of a South African public sector hospital**

Supervisor: Norman Faull

**Buehler, Riccardo (2012)**

**Applying Lean Principles in a High-Mix, Low-Volume Service Business**

Supervisor: Norman Faull

**Cornelius, Sharna (2012)**

**Sustaining Lean improvements in a South African district court**

Supervisor: Norman Faull

**Mudaliar, Priti (2012)**

**Identifying fit and clashes between characteristics of a typical Telkom IT project and principles of Lean software development**

Supervisor: Norman Faull

**Soma-Patel, Anushka (2012)**

**What are some of the Main Enablers and Barriers to Sustaining Lean in Financial Services Administration Teams?**

Supervisor: Hamieda Parker

**Kaskar, Masooda (2011)**

**Factors influencing the sustainability of Lean Process improvements in healthcare**

Supervisor: Norman Faull

**Moodley, Melvin (2011)**

**Implementing and Sustaining Lean in an Emergency Department**

Supervisor: Norman Faull

**Chinyanga, Tinashe (2010)**

**Lean Pathology: Implementing the problem solving A3 report**

Supervisor: Norman Faull

**Cooper, Lynda (2010)**

**Factors influencing the sustainability of Lean improvements in Healthcare: An investigation to uncover the underlying mechanisms under pinning actions, behaviours and outcomes impacting the sustainability of Lean thinking process improvements as implemented at the G.F. Jooste Hospital**

Supervisor: Tom Ryan

**Duncan, Lauryn (2010)**

**Systems Thinking based approach to improving the sustainability of Lean**

Supervisor: Tom Ryan

**Fareed, Tanweer (2010)**

**A Study of Lean practices at the Termination of Pregnancy Ward at Jooste Hospital**

Supervisor: Tom Ryan

**Friderichs, Craig (2009)**

**An experiment in a Lean services environment: an A3 approach in a community health centre**

Supervisor: Norman Faull

**Govender, Desigan (2009)**

**Towards a theory of the application of Lean Principles to New Product Development in a manufacturing firm: Five Case Studies**

Supervisor: Hamieda Parker

**Hancke, Stephanus (2009)**

**Lean Implementation in a Department of Home Affairs' district office**

Supervisor: Norman Faull

**Paterson, Graham 2009**

**A Lean Services experiment: introducing Lean to the service operations at 1time airline.**

Supervisor: Fatima Hamdulay

**Bezuidenhout, Johan (2008)**

**An investigation to determine the impact of Lean construction techniques on project performance by comparing Design and Build with traditional construction procurement methods**

Supervisor: Hamieda Parker

**Chikanda, Cephass (2008)**

**Leaning in the Hospital Wards; it's more than just Clinical Process Improvement: A focus on Neonatal HIE at a Tertiary Hospital**

Supervisor: Norman Faull

**Du Toit, Anél (2008)**

**Looking Beyond Disaster: The applicability of Lean in the disaster management environment**

Supervisor: Norman Faull

**Inggs, Christopher (2008)**

**Lean Implementation in a Public Healthcare Setting**

Supervisor: Zameer Brey & Norman Faull

**Khumalo, Lucretia (2008)**

**BHP Billiton Energy Coal South Africa Implementing Six Sigma and Lean**

Supervisor: Norman Faull

**Kuriakose, Robin (2008)**

**The Application of Lean Principles in a Small Manufacturing Firm**

Supervisor: Norman Faull

**Mamat, Abduraghmaan (2008)**

**An application of Lean manufacturing techniques to improve Line Utilization at the Lilongwe plant in Malawi**

Supervisor: Fatima Hamdulay

**Marais, Ernst (2008)**

**Applying Lean Principles in a Nuclear Medicine Department**

Supervisor: Norman Faull & Arnold Botha

**Minnaar, Bernard (2008)**

**A Lean Service Environment Experiment: Introducing TPS and Lean to a Financial Service On-Boarding Process**

Supervisor: Fatima Hamdulay

**Chigwedere, Ruzivo (2007)**

**Application of TPS and Lean Principles to healthcare: process improvement in a HIV Laboratory**

Supervisor: Norman Faull & Urvashi Mungal

**de Richelieu, Anthony (2007)**

**Case Study: The Lean Initiative in Old Mutual SA**

Supervisor: Norman Faull

**Mohammed, Amin (2007)**

**Introducing TPS and Lean principles to the pharmaceutical industry**

Supervisor: Hamieda Parker

**Mwolo, Venance (2007)**

**Lean Healthcare: A medical records application**

Supervisor: Norman Faull

**Roberts, Steve (2007)**

**Implementation of Lean Management Operational Practices in a Small Owner- Managed Business**

Supervisor: Norman Faull

**Van den Berg, Theo (2007)**

**The Lean Six Sigma Initiative at Standard Bank: Driving continuous improvement**

Supervisor: Norman Faull

**Booyesen, Antonio (2006)**

**Lean in Healthcare: Applying Value Stream Mapping and Lean in the Accident & Emergency Unit at G.F. Jooste Hospital**

Supervisor: Norman Faull

**Davies, Helen (2006)**

**Lean and its future at Threads**

Supervisor: Norman Faull

**Brooks, Steven (2005)**

**A Lean Services Environment Experiment: Introducing TPS and lean Principles to a Pathology Laboratory**

Supervisor: Norman Faull

**Kurji, Alykhan (2005)**

**Lean thinking: using value stream mapping to achieve a Lean supply chain.**

Supervisor: Norman Faull

**Dethier, Olivier and Puttergill, Nikki (2003)**

**St Luke's Hospice - Using Lean Thinking to Improve Drug Ordering and Delivery: A Healthcare Industry Experiment**

Supervisor: Norman Faull

**Dewar, Andrew and Beaumont, James (2001)**

**Implementation of Lean thinking at Shatterprufe Neave - an investigation**

Supervisor: Norman Faull

**Copty, Georgina and McDowell, Chris (1999)**

**The interdependence of Lean thinking and marketing in a practical environment**

Supervisor: Norman Faull & Amy Marks

**Landman, Roger (1999)**

**Comparing the TRACC world class manufacturing model to the Lean Thinking world class manufacturing model**

Supervisor: Norman Faull
